Most of the terms of the general season are reported in a "crop report" card issued along with the harvest "harvest" Permit hunts are reported on a similar form that ADF&G issues along with the permit. Many hunts also have bag limits that limit you to one animal every

four regulatory years. Unit or region specific conservation-type permits are awarded to various organizations and can be sold at auction or given in a raffle by the organization. Keep in mind that draw hunts for brown/grizzly bear, Dall sheep, and mountain goat represent only a small portion of the total number of permits available in Alaska. Permits are then awarded by a lottery where every applicant is equal as Alaska does not have a preference or bonus point system. If you were born after January 1, 1986, you are required to have taken a hunter education class. You must have a harvest ticket or permit for the lesser species to be able to use the tag on that animal. Prospective applicants should research and compare outfitters with the assistance of our Hunt Advisors to find the hunt that would fit their budget, expectations, and preferred hunting style. Help reduce the cost of managing these hunts! When you file electronically, you will help save printing, postage, and labor costs. Ella's Cabin Checkpoint on the Koyukuk River Hunt reports are important to Alaska wildlife managers. In some hunts, your harvest must be reported within a day or two so wildlife managers can ensure harvest quotas are not exceeded. Recognizing the importance of this information, the Alaska Board of Game authorized ADF&G to implement penalties for those who fail to report. The Alaska permit drawing system allows each hunt choice an equal chance in the draw. Youth Information Hunters are required to be at least 10 years of age by the starting date of the hunting season to obtain a permit. Prove you have filed your report! When you file online you will receive a certified receipt for your report by email. We urge you to quickly report your harvest on the appropriate form. See our for a list of auction permits available. Save postage money! For most hunts reported online there is no need to mail in a paper report. Refunds - Returns - Transfers If you are successful in drawing a permit and intend to hunt, you must purchase the big game locking-tag before you enter the field. Up to two hunters may apply as a party for the draw. Also, if you were born after January 1, 1986, you are required to have taken a hunter education class to hunt big game. Applicants may apply for the same hunt choice more than once to increase their odds of being drawn. Hunter Requirements A department-approved bowhunter certification course is required before applying for archery-only big game hunts and is required for all archery big game hunters born on or after January 1, 1986. Applicable non-resident permit quotas are not taken into account in the printed draw odds. If you draw a sheep, goat, or brown bear permit, you are required by the contract to hire that registered guide for the hunt. Non-residents who are accompanied by a resident relative within second degree of kindred who possess a hunting license do not need to be accompanied by a registered guide nor do they need to sign a guide-client agreement to apply for the draw. If there is ever a question, we will accept this receipt as proof that you filed your report. Applicants may apply for the same hunt for each choice on their application up to six times. Special Tag Opportunities Alaska does not have landowner permits or a statewide raffle tag drawing. That means you could have up to six times better odds than what is listed by purchasing six chances for the same hunt choice for each species. Only online applications will be accepted. Hunts in draw permit areas are not necessarily cheaper or home to a higher trophy quality as many opportunities exist without the use of a draw permit. The draw results will be available online by the third Friday in February. ed adil;Áv a\$Áac ed a\$Áneçil amu moc ohnesed ed odoÁrep etse raticilos edop ªÁcoV .etnelpus mu a adicerefo res edop ale uo oEÁssimrep a rasu ed oEÁ\$Ánetni aus ed oEÁ\$Áaralced meçixe sa\$Áac samuqlA .ahnatnom ed arbac uo ahlevo llad ,raeB ylzzirG / nworB ra\$Áac oa edadi ed sona 91 ed siam e setnerap ed uarg odnuges o ©Á euq odacifillaug etnediser ed otaler mu rop opmac on odahnapmoca uo odaicneçil aiug mu rop opmac on etnemlaossep sodahnapmoca meres a iel rop sodigixe oEÁs setnediser-oEÁn sO .laudividni ohnesed ed secnaçc sa sadaredisnoc oEÁs oEÁ\$Áaailpa an sepuÁ\$Áapo sa sadot rahneseD acsaIA od ednary ogoj od sehlateD .jivic ona mu ed zev me .oEÁ\$Áaatnemaluger ed raluger esab amu me soditime oEÁs atiehloc ed sepuÁssimrep e setehliB :OSIVA .sovitacilpa ed siaudividni sepuÁ\$Áapo ed oremªÁn olep sievÁnopsid sepuÁ\$Áazirotua ed oremªÁn o odnidivid sodaluclac oEÁs euq selpmis sodom oEÁs riuges a salebat san sadatsil ohnesed ed sedadilibaborp sa sadoT sddO warD emaG giB aksalA .ozarp od aid od setna uo me oEÁ\$Áaircsni ed sepuÁ\$Áapo saus racifidom arap enil-no oEÁ\$Áaretla ed atnemarref a rasu edop ªÁcoV .oieuqolb ed gat ed ronem rolav mu met ubirac o euqrop ubirac on morram osru ed oieuqolb ed gat a rasu edop ªÁcov .ubirac mu a\$Áaif e morram osru mu emot oEÁn sam ,snorram 000.1 \$ SU ed oieuqolb ed gat amu rarpnoc ªÁcov es .olpmexe rop .otnemelipus on odacificepse emrofnoc ,setropus e secla snuqla arap oir;Ásseçen ©Á mªÁAbmat etneilC aiug otarinoC etsE .sodirefsnart uo sodivlovei res medop oEÁn stinreP .siev;Áslobmeer oEÁn oEÁ\$Áaircsni ed saxat sa eivne e a\$Áac ed a\$Áaneçil amu erpmoc roda\$Áac mu euq meçixe a\$Áac ehneseD .olierroc olep oirªÁAaler o erbos snegatnav satium met etnemacinortiele acsub ed soirªÁAaler sues ed oEÁ\$Áatneserpa A .2202 ed ohnuj ed 03 - 1202 ed ohluj ed ªÁA1 ed ritrap a odil;Áv ©Á 1202 rodaluger ona o arap atiehloc ed etehliB mu .olpmexe rop .setapme so raticilos ed setna sodÁulcnoc meres a etneilc-aiug ed sodroca meçixe swarD raeB ylzzirG / nworB e ahnatnoM ed arbaC, ahlevO llaD .oEÁssimrep .oEÁssimrep aus moc ra\$Áac oEÁn rop ratpo ªÁcov es edadilianeçp ;Áh oEÁn e oietros on odidecus meb rof es oieuqolb ed gat amu arap etnemacitamotua odarloc ;Áres oEÁn ªÁcoV .2202 uo 1202 means that applicants must have a contract in place to hire a particular outfitter prior to applying. Be aware that youth-only hunts are only available to Alaska resident youth or youth accompanied by an Alaska resident relative. If the outfitter you select offers draw tag-only hunts, you should apply in the draw. Online reporting allows you to determine which reports you have filed and which you have not. Alaska Big Game Applications Application fees and license fees will not be refunded. If you drew a permit and failed to submit your hunt report, you will be ineligible for all permit hunts for the next year. The 2021-2022 application period is currently open and will close December 15, 2020 at 5 p.m. (AKST). Harvest tickets are not required when çÁÁÁtagging downçÁÁÁ for wolf or wolverine. The supplement contains all of the information on applying in the draw as well as specific information regarding the draw hunt opportunities, area boundaries, hunt codes, and last yearçÁÁÁs draw odds. You may not use a locking-tag for an animal of a species you have already taken, unless the bag limit for that species is greater than one. You must apply online with either a MasterCard, Discover, or Visa. Visa.
